Community Highlights

Family Safety Night Recap

We are excited to share that our **Family Safety Night** event was a huge success! We had an incredible turnout with so many families joining us to learn, connect, and participate in a variety of activities. Families had the opportunity to visit resource tables, engage with community partners, and take home helpful information and tools to support their safety and well-being. The giveaways were a big hit, and it was inspiring to see so many smiling faces and meaningful conversations taking place throughout the evening.

We extend our heartfelt thanks to **Heritage Academy** for welcoming us and providing such a warm and

supportive space to host this important event. Their hospitality and collaboration made the evening not only possible but truly impactful.

Visit from Somali Minister of Oil

We would like to extend our heartfelt gratitude to **Dahir Shire Mohamed, the Somali Minister of Oil**, for taking the time to visit our main office! It was an honor to welcome him and share the important work we are doing here at Isuroon to uplift and empower our community.

Minister Mohamed's leadership and commitment to the development and future of Somalia serve as an inspiration to us all. His dedication to creating opportunities and advancing Somalia's resources reflects the same values of resilience and progress that we hold close at Isuroon.

WCA at Isuroon:

A Visit of Partnership and Support

Isuroon was honored to welcome the **WCA Foundation members** to our Lake Street office, celebrating their role as a valued partner and funder in advancing our mission. Together, we reaffirmed our shared commitment to empowering women, families, and immigrant communities through culturally grounded services, health equity, and opportunities for economic stability.

Get To Know Isuroon

Founded in 2010, Isuroon is a women-led nonprofit dedicated to empowering Somali women and their families in Minnesota. Our mission is to support women in overcoming barriers such as language challenges, racism, and religious intolerance. We offer access to health education, financial literacy, civic engagement, and leadership development programs. Through strategic partnerships, Isuroon provides culturally competent training and conducts community-centered research to improve health and social outcomes. We help women successfully navigate complex healthcare systems and advocate for their physical, social, and financial well-being. The name “Isuroon” signifies a woman who takes care of herself—reflecting our belief in self-empowerment as the foundation for strong families and communities. At Isuroon, we uplift voices, build resilience, and foster long-term change. [Read More](#)
